

K-LOVE radio is heard at 106.7 FM, providing contemporary Christian music, inspirational programming, news, current events and information on concerts/programs/happenings in the geographic area which is of interest to the local community, especially those of faith. Displacement by LPFM would deprive the community of this service. As an associate pastor/youth minister in the area served by this station, K-LOVE provides an invaluable resource for faith based programs and outreach to the community being served and is totally listener supported. No other similar, contemporary programming is available on other stations in this geographic area. thank you for your consideration of action insuring that this service is not replaced by a LPFM broadcast.
